Q&A

What Is Google Workspace?

Lane Smith (Unity Fort Worth)

The Basics

- Google Workspace is a suite of applications that support a collaborative workflow within an organization, designed to manage the daily business 100% online.
- Google Workspace is free for non-profit organizations
- There are many third-party apps available (via Google Marketplace) that add onto or link to the available applications.

What's More...

- Google Workspace includes a cloud-based storage system (Google Drive) with a sophisticated permission management.
- Groups act as email containers to share emails with multiple users.
- Google Voice is integrated into Google Workspace, allowing from basic to advanced phone system applications.
- Many other services yet to be explored enrich the Google Workspace.
